

REMARKS

In response to the Requirement for Restriction, Applicant elects Invention I: claims 1-11, and 13-15 as amended.

In response to the Requirement for Election of Species, Applicant makes the following elections:

Group I: X is trimethylammonio, Y is hydrogen, and q is one. The reference to "p" in Claim 1 is an editorial error (see, e.g., "Summary of the Invention") and has been deleted herein.

Group II: The specific shaped body elected is pancakes.

The specific edible material elected is flour.

Claims 1, 2 and 4-15 read on the elected species.

If any fees are due and owing, the Commissioner is authorized to charge Deposit Account 08-2455.

Respectfully submitted,
